Secrest...
Learn, explore, wonder, connect

our gardens, collections and trees: passive & reflective in character

harmonizing science and aesthetics

coming Spring 2011

Tree Evaluation Plot remains

Crablandia II remains
Six years ago, **Secrest**... began an enhancement project that has now been completed:

*Growing for You...* beauty, peace, knowledge...for the well-being of humanity & community

John Streeter Garden Amphitheater

Don & Alice Noble Pathway
Paved circulation pathways, benches, overlooks, vistas: Learn, Explore, Wonder, Connect...

Remains: Skip & Letty’s Water Garden

Gone: 35 year old Fernleaf Beech

with increased attention to an ecological landscape lifestyle
Secrest Solutions... trees

a Historical Solution... Dawn Redwood

Metasequoia glyptostroboides...
The “Golden City” remains at Secrest

centerpiece of the new Buckeye Forest
Secrest Renewal ...

more opportunities to Learn, Explore, Wonder, Connect

opening areas of topographic diversity
People are seeing the need **Secrest Renewal** …

“Light was wonderful this AM, it may be cheesy… but, a new dawn for Secrest, have a good day.”

*Ken Chamberlain,*
*OARDC Photographer*
